

# Interviews for Sports Studies Science

## General questions

Tell us about your A-levels.

Why did you choose to apply here?

What do you hope to do during your year out?

How firm are your plans?

Besides your course, how do you spend your time?

## Course/subject specific questions

- 1 Explain how you see the difference between courses in Sports Science and Sports Studies? Why have you chosen to go for .....
- 2 Tell us about the teams you have been in, the expeditions you have been on, etc.
- 3 Tell us about your experience of working with children/young people. Describe one activity which you have carried through. Tell us about one sport you found interesting or difficult to coach/explain to people.
- 4 Do people in teams with you seem to like you?
- 5 What is going on in a good game? Are there sports you cannot understand/appreciate?
- 6 Is darts a sport? Would you include ice-skating/ballroom dancing in the Olympic Games?
- 7 How does social class reveal itself in the uptake of different sports?
- 8 How would you justify teaching children to play team games? Or contact sports?
- 9 Tell us about situations which have made you happy/angry/sad.
- 10 How far should there be control of dangerous sports/activities, like rock climbing and sea-canoeing? Have we regulated the adventure out of them?

## Questions you might ask

What is your attitude to students having a year out before taking this course?

What have previous graduates from this course gone on to do?

How easy is it to get accommodation?

## Items you might take along or be asked to take along

Reports from work experience
